Guidelines for Therapy Abstracts **A Title of your Contribution**

Brown J.¹, Green P.², White F.¹

¹Institute of Physics, Paris, France;

² Institute of Scientific Instruments, London, United Kingdom

Paper size: A4 - width: 210 mm, height: 297 mm. Margins: top 2 cm, bottom 2 cm, left 2 cm and right 2 cm.

ID

Type the ID of the abstract in 14 point Times New Roman font, centred, single line spacing, NOT block capitals. Use the defined style „1_CR2012_ID“. A number will be assigned by Icaris.

A title of your contribution:

Type the full title of the abstract in bold 14 point Times New Roman font, centred, single line spacing, NOT block capitals. Use the defined style „2_CR2012_Title“.

Authors:

Use 11 point Times New Roman font, centred, single line spacing, NOT block capitals.

The last (family) name should be given first, followed by first name initial(s). The presenting author should be the first. Separate names by commas. Use English alphabet only, no specific national characters (umlauts, wedges, accents, etc.). Use the defined style „3_CR2012_Authors“.

Affiliations:

Use 11 point Times New Roman font, centred, single line spacing, NOT block capitals.

Affiliations should be written using the following structure: Department, Institution, City, Country. Separate affiliations by semicolons. Do not write e-mail contacts or phone numbers in your affiliations. Use the defined style „4_CR2012_Affiliations“.

Text:

Use the style „8_CR2012_Text“. Please use 11 point Times New Roman font and single line spacing throughout the entire abstract. Do not include footnotes or references in the abstract. Please avoid boldfacing, italics and underlining within the text. Maximum length of your abstract is 250 - 300 words.

The deadline for the abstract submission is February 10, 2012. Send your contribution on-line in MS Word.doc to the conference secretariat (Romana Kocova, Romana@icaris.cz).
